

International Conference on
Global Entrepreneurship Trends &
Empowerment through Innovation

ICGETEI 2021

March 05-06 (Friday-Saturday), 2021
Amity University Rajasthan, Jaipur, India

CALL FOR PAPERS

Special Session

Session Title: "On Role of Computer Networking and Mobile Computing in Entrepreneurship "

SESSION CHAIR

Dr. Ved Prakash Bhardwaj

Assistant Professor-Selection Grade
School of Computer Science,
University of Petroleum and Energy Studies,
Dehradun-248007, Uttarakhand, India
Email: vpbhardwaj@ddn.upes.ac.in
Contact No: 7906592975

Co-Chair

Dr. Piyush Chauhan

Assistant Professor-Selection Grade
School of Computer Science,
University of Petroleum and Energy Studies,
Dehradun-248007, Uttarakhand, India
Email: pchauhan@ddn.upes.ac.in
Contact No: 8171664822

Aim and Objectives:

The conference is aiming to achieve entrepreneurship and empowerment to help the young entrepreneurs and researchers. Therefore, the track "Role of Computer Networking and Mobile Computing in Entrepreneurship" bring all the researchers together, where they can express their thoughts and new ideas on a common platform through this conference. This track is helping the researchers to present their innovations in the field of network architecture, network security, and network communications. It is also providing an opportunity to researchers where they can integrate the networking concepts with mobile technologies. As we all know, in present scenario, where almost all the necessities and functionalities are provided by mobile phones, therefore, mobile computing is also one of the latest research area for researchers. The mobile application development will help the entrepreneurs to their initial setup of any startup idea and also it will help in achieving their business goals in future.

Further, the current theme of this track is to take the submissions in the following areas but not limited to:

- Network Architecture, and Performance
- Network Reliability and Analysis
- Parallel Computing
- Distributed Computing
- Social networking
- Wireless networking
- Software defined networking
- Cryptography and network security
- Blockchain Technology
- Mobile Communication Protocols
- Mobile Computing
- Artificial Intelligence
- Mobile Cloud Computing
- Mobile Applications
- Mobile Fraud Detection
- Ubiquitous Computing
- Mobile Automation
- Machine Learning Algorithms

Important Dates

| | | |
|---------------------------|---|------------------|
| Paper Submission | : | November 5, 2020 |
| Paper Acceptance | : | January 5, 2021 |
| Final Submission | : | February 5, 2021 |
| Registration | : | February 5, 2021 |
| Date of Conference | : | March 5-6, 2021 |

Publication

The proceedings of ICGETEI 2021 will be published in SCI Indexed / SCOPUS indexed / UGC Approved Conference Proceedings.

Registered & Presented papers of high quality will be published in the SPECIAL ISSUES OF INTERNATIONAL JOURNALS provided that the authors do major improvements and extension within the time frame that will be set by the conference and his/her paper is approved by the chief editor.

It is mandatory that at least one author registers for every paper that is included in the conference proceedings. Conference proceedings / Book of Abstract will be delivered to participants during the conference.

Paper Submission Process

Please submit your paper (in word/pdf format) at email: vpbharadwaj@ddn.upes.ac.in, with Name of Special Session mentioned in the subject line.

Submission Guidelines

As per Springer paper format.

Registration

Please visit conference webpage for registration and other details:
